FOR IMMEDIATE RELEASE

CCCI Annual General Meeting and Member Recognition Event

The Collie Chamber of Commerce and Industry (Collie CCI) proudly hosted a remarkable evening combining its Annual General Meeting (AGM) with a celebration of the resilience, innovation, and contributions of Collie's business community.

This special event, part of the Business Connections series, highlighted a year of achievements and brought together over 20 attendees, including business owners, community leaders, and stakeholders. The night provided an invaluable platform for networking, collaboration, and thoughtful discussions on Collie's dynamic economic landscape.

The evening featured engaging presentations from Greensteel WA, offering a forward-looking perspective on the industry opportunities, and the Regional Workforce Transition Officer, who provided insights into workforce trends and strategies. Additionally, representatives from South32 and Synergy emphasised the importance of nurturing community connections to foster sustainable growth.

The AGM itself served as a milestone, with the election of new Management Committee members and reports from the Chamber's Auditor, Chairperson, and Treasurer. These updates reinforced a strong foundation for the year ahead.
